VENERABLE GESHE KELSANG GYATSO RINPOCHE

Spiritual Guide and Founder of Modern Kadampa Buddhism

Venerable Geshe Kelsang Gyatso Rinpoche is a world-renowned meditation master who holds the very essence of Buddha's teachings in his heart. He transmits this profound wisdom and compassion to the people of the modern world in very practical ways through the extremely accessible methods of modern Kadampa Buddhism, which he has introduced into contemporary society.

Venerable Geshe-la firmly believes that modern people can transform their lives and therefore their world through applying Buddha's teachings on controlling the mind. Accordingly he has dedicated his life to laying the foundation for modern Kadampa Buddhism to flourish in this and future generations, so that anyone, regardless of nationality, culture, gender or age, can easily understand the meaning of Buddha's teachings and apply them to their daily life and in this way find true inner peace.

‘Dharma books are the eyes through which sentient beings can see the spiritual paths to liberation and enlightenment, the light by which they can dispel the darkness of ignorance, and the Spiritual Guide from whom they can receive reliable advice.’

HEART JEWEL, GESHE KELSANG GYATSO

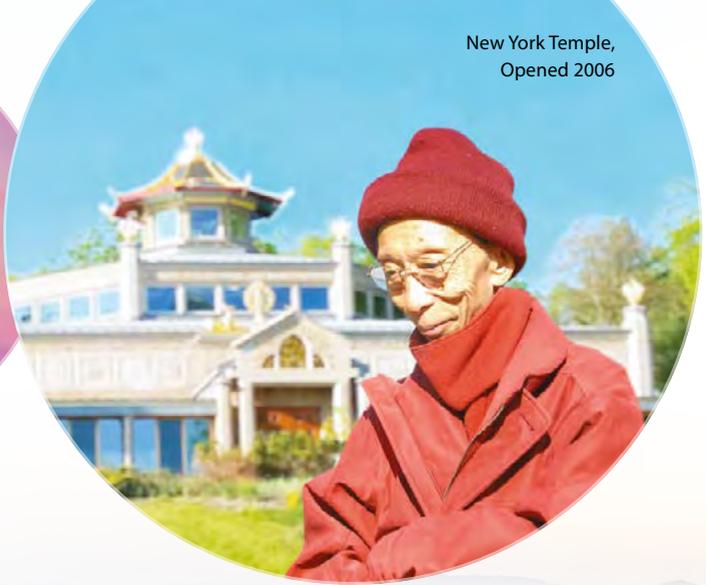

To guide modern people along the spiritual path Venerable Geshe-la has written twenty-three authentic Dharma books on Sutra and Tantra that reveal the entire path to enlightenment.

Through contemplating and meditating on the teachings in these books people can make authentic spiritual progress, even in this modern age.

ADAPTING TO A CHANGING WORLD

Venerable Geshe-la's compassion and wisdom has inspired a new way forward that allows everyone, everywhere, access to teachings and spiritual community.

The world is changing and our spiritual tradition has responded dynamically to these changes. Accessibility has always been the core of modern Kadampa Buddhism, and, through Venerable Geshe-la's inspiration, we continue to find new ways to welcome everyone.

Connecting throughout the world

This year, for most of us, our lives have changed dramatically, but our spiritual goals of finding peace and sharing this with our world remain the same.

Through using new methods to connect with people, Kadampa Centres not only continue to share the teachings and inspire their communities, but are also able to reach into the hearts and homes of more people than ever before.

Inspiration for our times

From online festivals simultaneously broadcast in a dozen languages, to finding ways to establish new Centres and communities in these challenging times – adaptability and innovation are at the heart of the modern Kadampa Buddhism, that is Venerable Geshe-la's gift to the world. [Back to top](#)

THARPA PUBLICATIONS

Advice from the Spiritual Guide's Heart

The twenty-three authentic Dharma books published by Tharpa Publications are personal, practical and extensive advice that comes from the heart of our Spiritual Guide, Venerable Geshe Kelsang Gyatso Rinpoche.

In reality, all these NKT Dharma books are not newly developed, but are commentaries to Je Tsongkhapa's teachings and come from his omniscient wisdom.

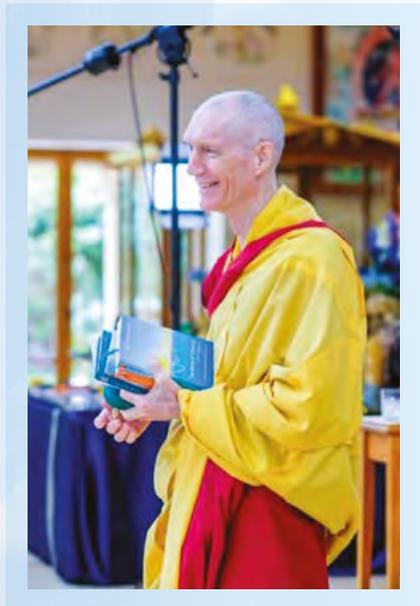

If we regard our NKT Dharma books as in nature our Spiritual Guide, every sentence and word will bless our mind; we will have the wise counsel of our Spiritual Guide always with us in our heart and be able to receive his personal instructions endlessly.

Through integrating the practical teachings found in NKT Dharma books with our daily life we will develop real wisdom and solve all our problems.

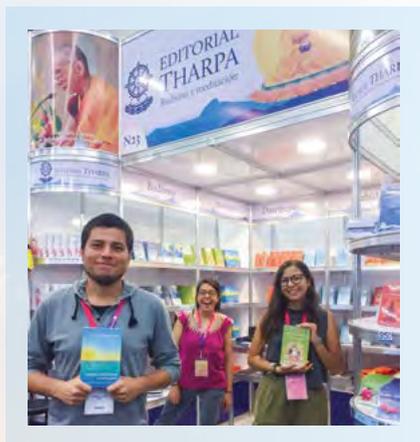

In dependence upon these books there are now many qualified Kadampa Teachers, study programmes and over 1200 Kadampa centres and groups throughout the world.

These provide an unequalled network of support for those wishing to improve their lives through increasing their wisdom and Dharma experience.

As sole publisher of these books, Tharpa Publications has grown into an international non-profit distributor of wisdom serving many countries and in many languages.

This fulfils Venerable Geshe Kelsang Gyatso Rinpoche's pure wish for Buddha's teachings to touch people's hearts and transform their lives. Visit tharpa.com [Back to top](#)

INTERNATIONAL KADAMPA RETREAT CENTRES

Venerable Geshe Kelsang Gyatso Rinpoche developed the General Programme, Foundation Programme and Teacher Training Programme – taught at Kadampa Buddhist Centres throughout the world – to give people from all walks of life access to a structured presentation of proven methods to deepen their meditation experience.

By encouraging the development of International Retreat Centres, he is providing modern people with the perfect conditions to gain the deepest liberating insights of the Buddhist path.

International Temples Project

The aim of the ITP is to introduce the Buddhist faith and practice of the New Kadampa Tradition publicly, and to exemplify contemporary Buddhist practice through service to the public.

This brochure illustrates the vision and dedication of Venerable Geshe Kelsang Gyatso Rinpoche to bring modern Kadampa Buddhism to people throughout the world by building temples and providing qualified study programmes where they live and work. On a practical level, these auspicious developments are part of the International Temples Project (ITP), an international charitable fund inaugurated by Venerable Geshe-la for this purpose.

The scope and activities of the ITP are constantly evolving in response to the needs of the ever-changing demands of busy lives. It presently achieves its aim through developing and building traditional and non-traditional temples, meditation and retreat centres, and through the activities of World Peace Cafés and Tharpa Publications.

INTO THE HEART OF THE CITIES

In response to the growing needs of modern people for places where they can train in developing inner peace, the International Temples Project oversees an ongoing programme of new centre development.

In our busy modern lives, everyone needs an oasis of peace to recharge and learn how to maintain a positive mind in all situations. The City Temples of the New Kadampa Tradition provide such ideal environments for meditation and spiritual community.

Venerable Geshe-la's vision is for a temple in every city in the world so that everyone has easy access to everything they need for their spiritual development – qualified teachers and shrines, books and ritual items, and social spaces for fostering spiritual friendships.
