WEEK 2 Teachings on *Clear Light
of Bliss* with Gen-la Kelsang Jampa

At the Summer Festival 2022, there will be a Buddha Shakyamuni empowerment followed by two weeks of teachings and meditations on *Clear Light of Bliss* by Venerable Geshe Kelsang Gyatso Rinpoche.

This remarkable book explains with exceptional clarity how through training in Mahamudra practices we can transform our very subtle mind into the clear light of bliss, the actual quick path to enlightenment.

Clear Light of Bliss is a unique book the likes of which cannot be found anywhere, even among traditional Buddhist scriptures. It includes the uncommon Mahamudra instructions that come from Je Tsongkhapa, with an additional explanation of other practices such as tummo meditation, which was Milarepa's main practice. As Venerable Geshe-la himself says: *'For me this book is a Ganden Emanation Scripture.'*

STUDY PROGRAMMES & INTERNATIONAL RETREAT CENTRES

Deepening our Experience of Dharma in the Modern World

Buddha's teachings are like medicine to heal our minds, but to be fully effective we need to take the instructions deep into our hearts and embody them in every moment of our lives.

Venerable Geshe Kelsang Gyatso Rinpoche developed the General Programme, Foundation Programme and Teacher Training Programme – taught at Kadampa Buddhist Centres throughout the world – to give people from all walks of life access to a structured presentation of proven methods to deepen their meditation experience. By encouraging the development of International Retreat Centres, he is providing modern people with the perfect conditions to gain the deepest liberating insights of the Buddhist path. [Back to top](#)

SPIRITUAL COMMUNITIES

There are now many large KMCs throughout the world that offer ideal conditions for festivals, courses and retreats to the people of their country and beyond.

Dharma centres are oases of peace offering refuge for people in a busy world. When people come to a Dharma centre they meet spiritual friends who can support them in their journey to lasting happiness.

'..in our Kadampa Buddhist community we have trust, peace, harmony, and good hearts. That is wonderful!'

Venerable Geshe Kelsang Gyatso Rinpoche

Manjushri KMC is the mother centre of the NKT and Venerable Geshe-la's spiritual home. Home to the first Kadampa Temple for World Peace, it is the longest established Kadampa centre and provides accommodation for hundreds of residents and visitors.

It is a powerful example of how a large KMC can bring widespread benefit to its country and throughout the world.

Based on *How to Understand the Mind* the course will focus on understanding the nature and function of the mind and its practical application. [Back to top](#)

KMC Brisbane

The International Temples Project (ITP) is an international fund dedicated to public benefit. It was founded by Venerable Geshe Kelsang Gyatso Rinpoche with the aim to introduce the Buddhist faith and practice of the NKT publicly, and to exemplify Buddhist practice through public service – showing how individuals and society benefit through the practice of Buddhism in modern daily life.

Constantly adapting to meet the needs of modern society, the International Temples Project presently achieves its aim through creating traditional and non-traditional World Peace Temples, Kadampa Meditation Centres, International Retreat Centres and through the activities of World Peace Cafés and Tharpa Publications.
