A GREAT WAVE
OF VIRTUOUS DEEDS

Venerable Geshe Kelsang Gyatso Rinpoche

Spiritual Guide and Founder of Modern Kadampa Buddhism

Venerable Geshe Kelsang Gyatso Rinpoche, or Geshe-la as he is affectionately known, is a fully accomplished meditation master who has dedicated his life to keeping alive the pure Dharma that comes from the hearts of Buddha Shakyamuni, Atisha and Je Tsongkhapa, and to ensuring that it flourishes, both now and in the future. Through his teachings and writings he has presented the paths of wisdom and compassion in practical ways that everyone, regardless of nationality, culture, gender or age, can use to solve their daily problems, improve their personal relationships, and eventually attain a deep and lasting happiness and inner peace.

We celebrate with deep gratitude Venerable Geshe-la's extraordinary vision, kindness and skill in introducing modern Kadampa Buddhism into contemporary society and in creating all the conditions necessary to ensure its future continuity and growth.

Everything within this brochure is a manifestation of the compassionate heart of this remarkable holy being who continues to touch the hearts of countless people and inspire them to begin and complete the blissful journey to lasting happiness.

MEDITATE ACCORDING TO THE ADVICE OF YOUR SPIRITUAL GUIDE...

From Venerable Geshe-la we have received a great wave of Dharma. He has given us all the instructions of the Kadam lineages of Lamrim, Lojong and Mahamudra in the form of his books, and the blessings of these lineages through his teachings. Because of this we and future generations can make authentic progress on the spiritual path by relying on these books as our Spiritual Teacher.

GIVING US CONFIDENCE FOR THE FUTURE

To ensure that Buddha's teachings remain and flourish in this world, and so that this and future generations can realize them, Venerable Geshe-la has established all the conditions needed to support people in their spiritual life.

First, he wrote Dharma books that contain the vast body of his unequalled teachings. Then, to support the realization of these teachings he developed the three study programmes, trained qualified Teachers, established Temples and Dharma Centres, International Festivals and Celebrations, an international publishing company and the Kadampa Art Studio, and above all gathered an international community of people actively dedicated to world peace.

He is like a wishfulfilling tree that fulfils our wishes for true happiness in this troubled world. Visit kadampa.org

The Source of Happiness & Goodness

Special commentary to the *Liberating Prayer* & International
Refuge Vow Ceremony with Gen-la Kelsang Dekyong

*'The Liberating Prayer is not an ordinary prayer –
it is like a text and has profound meaning.*

*All Lamrim teachings are included in this prayer.
It definitely needs verbal commentary by a
Teacher. It is the best method to develop faith
in Buddha and his teachings.'*

Venerable Geshe Kelsang Gyatso Rinpoche

Gen-la Dekyong will share a special transmission of the meaning of
this prayer which she received directly from Venerable Geshe Kelsang
Gyatso Rinpoche. She will also include other commentary to the prayer
that Venerable Geshe-la has given over many years. There will then be
an opportunity to engage in a powerful and immensely meaningful
International **Refuge Vow Ceremony** with our Kadampa family.

Empowerment of Medicine Buddha
& Teachings on *The Eleven Reversals*
with Gen-la Kelsang Khyenrab

At the Fall Festival 2023, Gen-la Kelsang Khyenrab, retired General Spiritual Director of NKT-IKBU, will grant the empowerment of Medicine Buddha and give teachings on the eleven reversals.

The teachings on the eleven reversals reveal the essence of all Buddha's teachings of Sutra and Tantra.

We learn how to apply these teachings in our daily life, and how to measure our progress by examining how much our ordinary attitudes and behaviour are reversed.

This teaching is very practical and suitable for everyone.

THE DAWN OF KADAMPA TEMPLES WORLDWIDE

KMC Brazil

KMC Spain

Venerable Geshe-la has established a programme for the building of Kadampa Temples for World Peace throughout the world. These Temples are special holy places that benefit everyone who visits them.

They also bring together the Kadampa spiritual family for International and National Festivals, which serves to maintain the International Kadampa Buddhist Union from generation to generation.

WORLDWIDE DHARMA CENTRES

Venerable Geshe-la has encouraged the development of Dharma Centres in many aspects, from large residential communities in the countryside to city Temples. This has enabled the development of spiritual communities that support people in their daily meditation practice in whatever way is most appropriate for them.

MANJUSHRI KADAMPA MEDITATION CENTRE

Manjushri KMC is the Mother Centre of the NKT. It is Venerable Geshe-la's spiritual home where he lived for many years and began his work making modern Kadampa Buddhism flourish in this world. Manjushri KMC is home to the first Kadampa Temple for World Peace, and International Spring and Summer Festivals are held here each year.

STUDY PROGRAMMES & INTERNATIONAL RETREAT CENTRES

Based on his Dharma books, Venerable Geshe-la has developed **three study programmes** – the General, Foundation and Teacher Training Programmes – that are the core of all Kadampa centres around the world.

With the development of **International Retreat Centres**, Venerable Geshe-la has given modern people perfect conditions to take Buddha's teachings deeply into their heart and thus gain the deep insights that will liberate them from suffering.

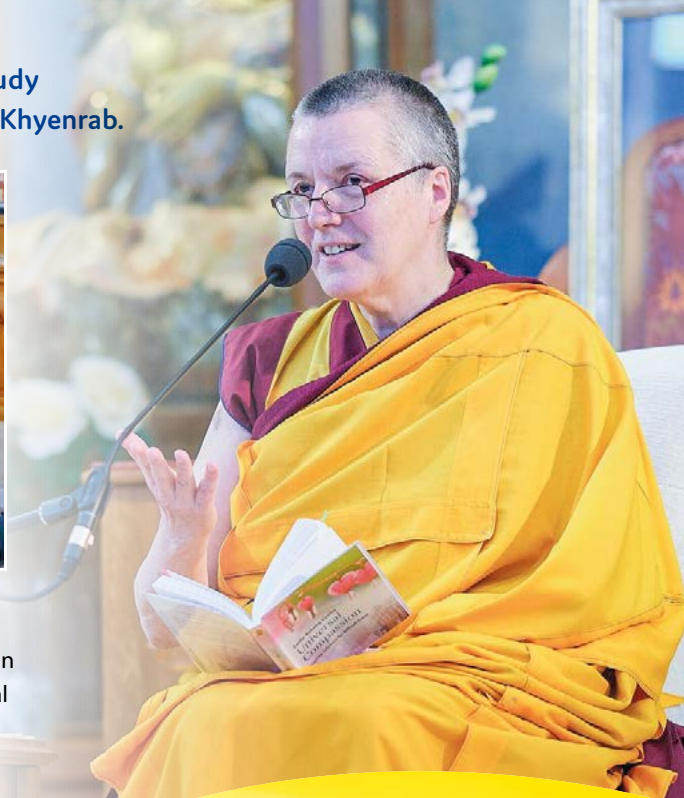

These centres offer many different types of retreat for people to progress at their own pace.

At Manjushri KMC, Venerable Geshe-la has established special study programmes taught by Gen-la Kelsang Dekyong and Gen-la Kelsang Khyenrab.

The **Special Teacher Training Programme** taught by Gen-la Dekyong is a weekly study programme originally for Resident Teachers and those wishing to train as teachers. Recently the programme was made available as a drop-in class for local people so that now these teachings are working for students on many levels and reaching hundreds of people worldwide.

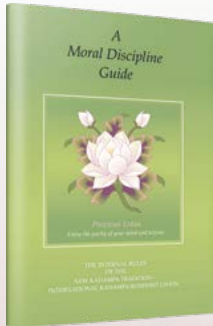

The NKT also offers the **Intensive Teacher Training Programme** taught by Gen-la Khyenrab, which provides a six-month residential intensive training programme for new teachers, as well as ongoing training and support for existing teachers. This year over 40 people are enrolled.

SPECIAL & INTENSIVE TEACHER TRAINING PROGRAMMES

MAINTAINING PURITY

If the pure lineage of Buddha's teachings is to continue it is essential that practitioners follow pure conduct, just like Buddha's disciples. Despite our modern way of life being very different to the traditional way of life of Buddhists in previous times, Venerable Geshe-la has given clear guidelines on how to live purely in the modern world.

To maintain our pure society Venerable Geshe-la has given us the internal rules of the NKI

'Our Moral Discipline Guide is the basis for spiritual realizations and for all good qualities... the internal rules are our eyes showing the way, they are our Spiritual Guide teaching us what to do. Our actions become pure and successful, then people trust and follow us. So it is very important to follow them.'

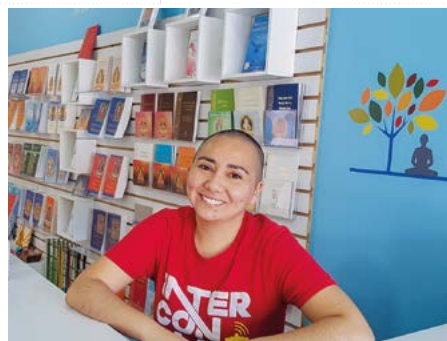

VENERABLE GESHE KELSANG GYATSO RINPOCHE

Ordination in Modern Life

Continuing Buddha's lineage of ordination, Venerable Geshe-la has ordained thousands of monks and nuns. This lineage has continued and there is now a global community of ordained sangha.

INTERNATIONAL TEMPLES PROJECT

The International Temples Project (ITP) is an international fund dedicated to public benefit. It was founded by Venerable Geshe Kelsang Gyatso Rinpoche with the aim to introduce the Buddhist faith and practice of the NKT publicly, and to exemplify Buddhist practice through public service – showing how individuals and society benefit through the practice of Buddhism in modern daily life.

Constantly adapting to meet the needs of modern society, the International Temples Project presently achieves its aim through creating traditional and non-traditional World Peace Temples, Kadampa Meditation Centres, International Retreat Centres and through the activities of World Peace Cafés and Tharpa Publications. Find out more at kadampa.org/itp
