The Supreme Path to Enlightenment

**JULY 24 -  
AUGUST 8**

## Teachings on the Stages of the Path, Lamrim & Highest Yoga Tantra Empowerments and Commentary

### WEEK 1 Teachings on Kadam Lamrim – The Stages of the Path to Enlightenment with the Deputy Spiritual Director

The Lamrim instructions form the main body of Buddha's teachings. By integrating these instructions into our daily life, we can learn how to control our mind and always keep a good motivation in our heart. This will make all our daily actions pure and meaningful and, as we experience increasingly more peaceful states of mind, we will discover the supreme happiness of enlightenment. This week will also be a perfect preparation for receiving Highest Yoga Tantra empowerments.

### WEEK 2 Heruka Body Mandala & Vajrayogini Empowerments with Gen-la Kelsang Jampa

Highest Yoga Tantra is a special method for attaining enlightenment in this one short life. The very essence of Highest Yoga Tantra can be found in the practices of Heruka and Vajrayogini.

Gen-la Kelsang Jampa will grant the Heruka and Vajrayogini empowerments that bestow upon us the special blessings of these Buddhas. He will then give clear and practical teachings on how to enter and make progress on this blissful, quick path to enlightenment – the ultimate goal of our human life.

*In his Sutra teachings Buddha gives us great encouragement to accomplish the ultimate goal of human life. This goal will be accomplished quickly through the practice of Tantra.*

# Je Tsongkhapa Empowerment

Teachings on Faith in Guru Tsongkhapa and the Blessed Practice of the *Migtsema* Request Prayer

with Gen-la Kelsang Dekyong

OCTOBER 9-15

During the Fall Festival 2026, Gen-la Kelsang Dekyong will grant the empowerment of the Wisdom Buddha Je Tsongkhapa. She will also explain how to develop and improve our

faith in our Spiritual Guide seen as one with Je Tsongkhapa, and on the practice of *Migtsema*, the special mantra and prayer of praise and request to Je Tsongkhapa.

This prayer is very blessed because it was originally spoken by Buddha Manjushri, and comes from Manjushri's *Emanation Scripture*, which he transmitted directly to Je Tsongkhapa. Many of Je Tsongkhapa's followers attained very high realizations through the practice of *Migtsema* combined with the Guru yoga of Je Tsongkhapa. The *Migtsema* practice is the best method for increasing our faith in Je Tsongkhapa and his teachings, and if we practise Je Tsongkhapa's teachings sincerely with faith, we can attain enlightenment quickly and easily.

THE FESTIVAL EXPERIENCE

## MANJUSHRI KADAMPA MEDITATION CENTRE

Manjushri KMC is the Mother Centre of the NKT. It is Venerable Geshe-la's spiritual home where he lived for many years and began his work making modern Kadampa Buddhism flourish in this world.

Manjushri KMC is home to the first Kadampa Temple for World Peace, and International Spring and Summer Festivals are held here each year.

## KADAMPA MEDITATION CENTRE SPAIN

KMC Spain was born from the compassionate heart of Venerable Geshe Kelsang Gyatso Rinpoche, who envisaged a Kadampa Buddhist Temple near Malaga. On May 5, 2006, Venerable Geshe-la visited to officially open and bless the centre.

Located just outside Malaga at the foot of the Sierra Nevada mountains, the site is now home to the sixth Kadampa Temple for World Peace and was opened by Gen-la Dekyong in a special ceremony in 2022. The centre has become a regular spiritual destination for Kadampa Buddhists and the general public alike.

1. Thousand Oaks, California 2. New York City 3. London

## PUBLIC TALKS

This year, Gen-la Dekyong gave three major public talks in the US and the UK. The talks were hugely popular and each event drew around a thousand attendees.

Through these talks, hundreds of newcomers had the opportunity to hear Buddha's wisdom for the first time. With remarkable skill, Gen-la presented profound Dharma in a way that deeply resonated with people's personal experience – an uncommon and special quality of Kadam Dharma.

*We thank Gen-la for her beautiful example and kindness in giving teachings throughout the world.*

More talks are planned with Gen-la Dekyong & other Teachers in cities worldwide

Constantly adapting to meet the needs of modern society, the International Temples Project presently achieves its aim through creating traditional and non-traditional World Peace Temples, Kadampa Meditation Centres, International Retreat Centres and through the activities of World Peace Cafés and Tharpa Publications.
